

# THE UNLOCKING POTENTIAL PROJECT

- Are you looking for a new opportunity?
- Do you need help with practical or personal issues?
- Is your offending history preventing you from moving on?

**Unlocking Potential's** offer holistic support to young people age 16-24 who have experienced the criminal justice system and have difficulty in obtaining education, employment or training.

### **We can help you:**

- Sort out practical issues like housing and benefits
- Improve your mental health and wellbeing
- Offer disclosure support
- Offer work placement and training opportunities like cscs cards etc

For more information, please speak to your key worker, probation officer, offender manager or contact The UP Project:
